

**Resolution on the admission of UOC Grant for Doctoral Theses for the Doctoral Programme in Network and Information Technologies. This is a UOC Grant to replace a PhD student in the Internet Computing & System Optimization (ICSO) research group, assigned to the Internet Interdisciplinary Institute (IN3). The beneficiary of the Grant must be familiarised with the research line: *Analytics in smart cities, transportation & logistics, and management.***

The UOC Grants Selection and Evaluation Committee have selected the following candidate:

**Talens, Carla**

The following candidates have been designated as substitutes (in alphabetical order):

**Carmo, Leandro do**

**Casteñeda, Carolina**

**Torres, Andres Felipe**

The beneficiary is subjected to the rules established in the Call for Applications for UOC Grants for Doctoral Thesis – 2016-2017, within the framework of the Statute for Research Staff in Training approved by Royal Decree 63/2006 of 27 January 2006.

The beneficiary must formally accept the grant by means of a standardised document and submission of the corresponding documents within a maximum of 30 days of the ruling.

Barcelona, January 25th, 2017.

A handwritten signature in blue ink, appearing to read 'Marta Aymerich', is written over a large, light blue oval shape.

**Marta Aymerich**  
Vice President for Strategic Planning and Research
